

Hydration & Moisture

Native Collagen Mask AHA Green Tea

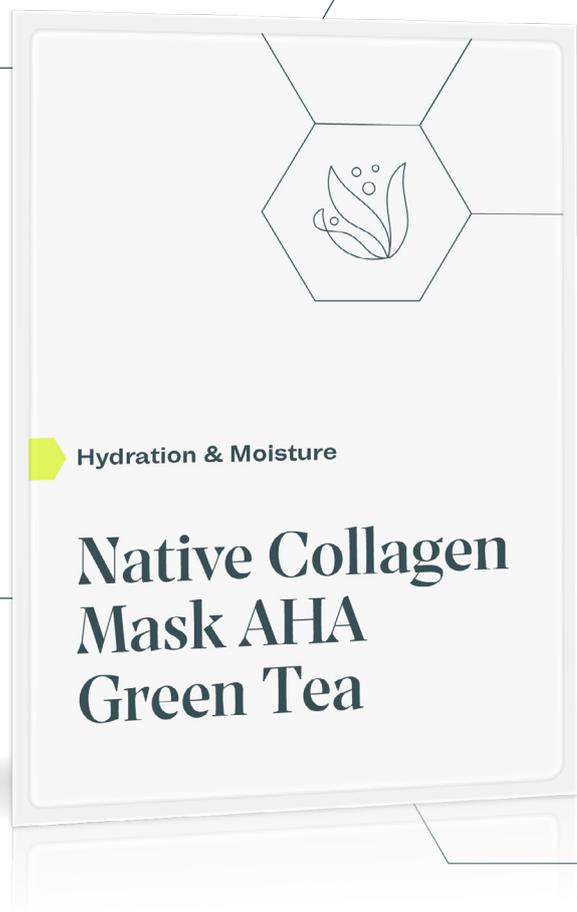

Rejuvenate and balance your skin with native collagen and AHA Green Tea extract for a refreshed complexion.

The Native Collagen Mask AHA Green Tea combines 87% native collagen with powerful Alpha-Hydroxy Acids (AHAs) and Green Tea extract to smooth and hydrate the skin. This mask deeply moisturizes, smooths fine lines and wrinkles, and harmonizes the skin tone.

It gently exfoliates, stimulates cell renewal, and balances the skin's surface. Rich in antioxidants from Green Tea, it also provides protection against free radical damage, leaving the skin calm, refreshed, and radiant.

Professional
Use

Skin Concerns

- Dehydrated skin
- Fine lines and wrinkles
- Uneven skin tone
- Irritated skin
- Reddened skin

The Benefits

- Combines 87% native collagen and AHA complex to deeply hydrate and smooth the skin.
- Gently exfoliates with AHAs and provides antioxidant protection, leaving the skin balanced and refreshed.

Native Collagen Mask

AHA Green Tea

Active Ingredients

Native Collagen Fibres: Form a three-dimensional network that enhances moisture retention and smoothes skin structure.

Native Collagen Peptides: Stimulate collagen production, aiding in skin regeneration and reducing fine lines.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity, promoting a balanced, healthy surface.

Glycolic Acid: Exfoliates dead skin cells and stimulates new cell formation, improving skin texture.

Citric Acid (AHA): A gentle exfoliant that helps brighten and smooth the skin.

Lactic Acid: Gently removes dead skin cells, promoting a smoother complexion.

Camellia Sinensis (Green Tea) Leaf Extract: Contains powerful antioxidants to protect the skin from free radical damage and soothe irritation.

INCI

Collagen · Hydrogenated Polyisobutene · PPG-15 Stearyl Ether · CI 77289 (Chromium Hydroxide Green) · Glycolic Acid · Citric Acid · Lactic Acid · PEG-40 Sorbitan Peroleate · Hydrolyzed Elastin · Camellia Sinensis Leaf Extract · Desamido Collagen · BHT

Scientific Data

- +59%** Increase in skin moisture (Corneometry, activated with Activation Liquid 17SF)¹
- 38%** Decrease in skin roughness (PRIMOS, activated with Activation Liquid 17SF)¹
- 27%** Reduction of redness (Chromometry, activated with water)²

¹ Clinical evaluation, n=10, Dermatest, 2013, Germany. Study was performed as split face study with collagen mask with 4 different activation liquids. ² Clinical evaluation, n=20, Derma Consult, 1995, Germany.
