

Brightening & Even Skin Tone

Native Collagen Mask Brightening Complex

Illuminate and brighten your skin with native collagen and a powerful Brightening Complex.

The Native Collagen Mask Brightening Complex combines 84% native collagen with a potent Brightening Complex to target uneven skin tone and hyperpigmentation. This mask hydrates deeply, smooths fine lines, and visibly lightens the complexion.

With ingredients like Alpha-Arbutin, Citric Acid, and Licorice Root, it helps reduce age spots, acne scars, and sun damage, while protecting the skin from free radical damage. The mask leaves the skin with a brighter, more even tone and a radiant, healthy glow.

Skin Concerns

- Dehydrated skin
- Fine lines and wrinkles
- Uneven skin tone
- Darkened complexion
- Hyperpigmentation, age spots or acne scars

The Benefits

- Combines 84% native collagen and a Brightening Complex to even out skin tone and illuminate the complexion.
- Reduces dark spots, fights hyperpigmentation, and protects from environmental damage, leaving the skin radiant and refreshed.

Native Collagen Mask Brightening Complex

Active Ingredients

Native Collagen Fibres: Form a three-dimensional network to enhance hydration and smooth the skin.

Native Collagen Peptides: Stimulate collagen production, promoting skin regeneration and reducing wrinkles.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity, improving protection and skin balance.

Brightening Complex containing:

Alpha-Arbutin (5%): Inhibits tyrosinase activity to block melanin synthesis and reduce hyperpigmentation.

Citric Acid (AHA): Gently exfoliates the skin and helps lighten the complexion.

Licorice Root: Contains glycyrrhizic acid, which reduces UV damage and acts as an anti-inflammatory.

Grape Seed Extract: Protects from free radical damage, providing additional antioxidant benefits.

Ectoin: Provides skin protection, reduces redness, and helps soothe irritated skin.

Key Facts

Color	White
pH	4.2–4.5 (activated with Activation Liquid 17SF)
Shelf Life	3 years in original, unopened packaging
Storage	Room temperature. Protect from dampness and direct sunlight exposure.

INCI

Collagen · Alpha-Arbutin · Hydrogenated Polyisobutene · PPG-15 Stearyl Ether · Citric Acid · Ectoin · PEG-40 Sorbitan Peroleate · Vitis Vinifera Seed Extract · Dipotassium Glycyrrhizate · BHT

Scientific Data

- +59%** Increase in skin moisture (Corneometry, activated with Activation Liquid 17SF)¹
- 38%** Decrease in skin roughness (PRIMOS, activated with Activation Liquid 17SF)¹
- 27%** Reduction of redness (Chromometry, activated with water)²
